**EVERYDAY STEWARDSHIP – Recognize God in Your Ordinary Moments**

**Steward What You Have**

I sometimes spend more money than I should. I make decisions based upon my wants and not my needs. Those actions can create a financial difficulty or circumstance where more sacrifice is needed. Instant gratification or selfish impulses can create havoc in one's bank account, marriage, or family. All these issues to deal with simply because I wanted what I wanted and I got it. Yes, it sounds like the actions of a child.

However, I know I am not alone. We all can easily find ourselves acting in this manner. This is why it struck me to listen once again to the words of Jesus when he says, "Do to others as you would have them do to you." The words are reminiscent of another of Jesus' phrases, "Love your neighbor as yourself." The problem is that too often I would like for others to fulfill my wants instead of needs, and I can seemingly love myself by doing what I already mentioned above.

A stewardship way of life means that I wisely steward what I have, and I cannot give what I do not have. Have you ever given someone a present you couldn't afford and think that was love? It wasn't. We don't show love by giving what we do not possess. We show love by meeting another's needs and by sharing our very self with them. At our core, what we long for from others more than anything else is love. Would I have others give me lavish gifts and shower me with empty compliments or would I have them give to me something much more valuable: the love in their hearts? In turn, I need to love myself more by realizing that no purchase will offer fulfillment more than the love of God shown to me in Christ Jesus.

## Live The Liturgy Inspiration of the Week

Jesus' message today is one of radical generosity and abundant mercy, and it scandalized the people of his time. It shook them to their core. It should do the same for us. Are we ready to live as Jesus lived? Are we ready to offer love in the face of hate?

## Observances for the week of February 23, 2025

**Sunday:** 7th Sunday in Ordinary Time

**Thursday:** St. Gregory of Narek, Abbot and Doctor of the Church

**Next Sunday:** 8th Sunday in Ordinary Time

## Devotions, *Explained!*

Fasting was practiced by righteous men and women of the Old Testament and later by Christ himself. It remains an important part of the Christian devotional life today, being most strongly associated with the penitential season of Lent.

## Prayer of Christian Life

Dear Jesus,  
Help me to pray for and bless everyone I encounter, whether that be easy or hard. Help me to act in the mercy I have known through you. Help me to demonstrate generosity, as you have given so much to me. Amen.

## ( PRACTICING ) CATHOLIC

**Mini Reflection:** It saddens me that Christians have somehow gained this reputation as a people who judge, who condemn. Today's Gospel is an invitation for us to consider how we engage with people who disagree with us — or maybe even actively dislike us.

### **Judgment and Love**

"Oh, well. I'm going to hell anyway, right?"

I have a few family members and friends who are not practicing Catholics who say this to me from time to time. It's always spoken in a teasing manner, with a wink and a shoulder shrug, usually to explain away some sort of minor misbehavior they feel guilty about.

It saddens me that Christians have somehow gained this reputation as a people who judge, who condemn. I think in part it stems from a misunderstanding on the part of unchurched people (and lots of churched ones, too) regarding what constitutes "judging." It is absolutely not "judging" someone to disagree with a personal decision, whatever that decision may be, or to decline from participating in that decision. We all have functioning consciences; we are all supposed to discern the moral goodness of any action before we take it.

But it is judging someone if we allow their decisions to impact how we treat them.

Today's Gospel is an invitation for us to consider how we engage with people who disagree with us — or maybe even actively dislike us. Much is said these days of the "culture wars." I certainly don't disagree that it can often feel like you're fighting a war when you're trying to live as the Church teaches. The forces against you often seem overwhelming and nefarious. And guess what? They are.

But we need to remember who the enemy really is. The enemy is not other children of God, even if they are children of God who are actively promoting ideas that are wrong. Perhaps these people are misguided and mistaken. Perhaps they are misled by the devil. Have we not all been misled by him at some point?

We must interact lovingly with people who think differently and live differently from us. The Christian life absolutely demands it.

— Colleen Jurkiewicz Dorman

## Why do we do that?

### Catholic Life Explained

#### Question:

Is Ash Wednesday a holy day of obligation?

#### Answer:

Despite the often packed churches, you may be surprised to hear that the answer is no! Holy days of obligation commemorate a particular event (such as the birth of Christ at Christmas) or celebrate particular people (such as Mary's Immaculate Conception or the feast of All Saints). Ash Wednesday is a day of penance, fasting, and abstinence to begin the season of Lent. In a sense, it focuses on a concept rather than something particular and concrete.

Of course, repentance ought to be reflected in particular, concrete ways! That's one of the reasons that attending Mass on Ash Wednesday is a very good idea. It marks the beginning of a solemn season of penance. Despite all its comparisons to the desert, Lent can be very fruitful for our spiritual growth! Beginning this season with the celebration of Mass and the reception of ashes is a sign of our commitment to God and to spiritual growth.

## Welcome to Our Pilgrimage Visitors!

### The Jubilee Prayer

Father in heaven, may the faith you have given us in your son, Jesus Christ, our brother, and the flame of charity enkindled in our hearts by the Holy Spirit, reawaken in us the blessed hope for the coming of your Kingdom.

May your grace transform us into tireless cultivators of the seeds of the Gospel.

May those seeds transform from within both humanity and the whole cosmos in the sure expectation of a new heaven and a new earth,

when, with the powers of Evil vanquished, your glory will shine eternally.

May the grace of the Jubilee reawaken in us, Pilgrims of Hope, a yearning for the treasures of heaven.

May that same grace spread the joy and peace of our Redeemer throughout the earth.

To you our God, eternally blessed, be glory and praise for ever.

Amen

- Pope Francis
